

# little effort, big impact

When you donate to Jewish Family & Children's Service (JFCS) through the Arizona Charitable Tax Credit, you're changing lives by providing behavioral health, healthcare and social services to people right here in Maricopa County.

When you file your taxes, claim the credit by using our QCO (Qualifying Charitable Organization) code 20255 on Arizona Form 321. You'll receive your donation amount back in your state taxes, either as a reduction in your tax liability or an increase in your refund. Single taxpayers can claim a charitable tax credit of up to \$495, while couples filing jointly can claim up to \$987.
