Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Jewish Family and Children's Service, Inc. and Subsidiaries, which comprise the consolidated statements of financial position as of June 30, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Jewish Family and Children's Service, Inc. and Subsidiaries, as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Jewish Family and Children's Service, Inc. and Subsidiaries and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Family and Children's Service, Inc.'s ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jewish Family and Children's Service, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Family and Children's Service, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

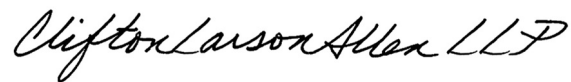

Board of Directors
Jewish Family and Children's Service, Inc.
and Subsidiaries

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating schedules of financial position and activities are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 16, 2023, on our consideration of Jewish Family and Children's Service, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Jewish Family and Children's Service, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Jewish Family and Children's Service, Inc.'s internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of Jewish Family and Children's Service, Inc., Twenty Thirty Three, Inc., Child and Family Solutions, LLC, Sojourner Center and JFCS Behavioral Health, LLC's (collectively the Organization) significant accounting policies consistently applied in the preparation of the accompanying consolidated financial statements follows:

Organization

Jewish Family and Children's Service, Inc. (JFCS) was founded in 1936, obtained nonprofit 501(c)(3) status in 1955, and became nonsectarian in 1964. JFCS serves the diverse human service needs of families and individuals of all ages, races, and faiths throughout Maricopa County. The JFCS agency mission is to strengthen the community by offering high quality behavioral health and social services to children, families, and adults of all ages throughout Maricopa County, in accordance with a Jewish value system that cares about all humanity.

JFCS objectives include meeting and exceeding community expectations through a commitment to treat people with dignity and respect and to deliver services in accordance with a value system that cares about all humanity.

Child and Family Solutions, LLC (CFS) is a single member LLC and was founded in 2006.

JFCS Behavioral Health, LLC (BH) is a single member LLC and was founded in 2006.

Twenty Thirty Three, Inc., (TTT) is a nonprofit, nonsectarian organization which acquires land, buildings and equipment and subsequently leases those assets to JFCS under various operating leases.

TTT leases all of its buildings and equipment to JFCS. Various members of the board of directors of TTT are also members of the board of directors of JFCS.

Sojourner Center (SC) is an Arizona nonprofit corporation with a mission to overcome the impact of domestic violence one life at a time. SC was formed in 1977 and has provided safety, shelter, and an array of supportive services to victims of domestic violence for over 35 years. SC not only provides emergency shelter, but also offers extensive and comprehensive programs to help victims of domestic violence rebuild and redirect their lives. These programs provide a continuum of services including prevention and intervention, community education and victim advocacy. SC provides food, clothing, and other basic needs for victims and families; licensed childcare; a 24-hour crisis hotline; support to address career, education, and job advancement; legal advocacy; transitional housing; support groups; and domestic violence dynamics education classes for women and children whose lives have been affected by domestic violence.

The activities of TTT, CFS, SC, and BH have been consolidated with those of JFCS as JFCS exercises control over these entities.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of JFCS and its subsidiaries. Inter-organization transactions and balances have been eliminated in the consolidation.

Use of Estimates in the Preparation of Financial Statements

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make a number of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation

The Organization's consolidated financial statements have been prepared in accordance with the Not-For-Profit Industry Guidance within the Financial Accounting Standards Board (FASB) Codification (Guidance). Under the Guidance, the Organization is required to provide consolidated financial statements which are prepared to focus on the Organization as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for a board-designated investment fund.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Assets (Continued)

When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions.

Cash and Cash Equivalents

The Organization considers all short-term investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents consist of cash held in checking, savings, and money market accounts.

Receivables

Accounts receivable are stated at net realizable value. Receivables consist primarily of amounts due from various governmental agencies and seven contractors within the Arizona Health Care Costs Containment System (AHCCCS) Complete Care health plans. Receivables are carried at the original invoice amount less an estimated reserve for doubtful receivables based on a review of all outstanding accounts. Management determines the reserve by identifying troubled accounts as well as evaluating receivables and considering a customer's financial condition, credit history, and current economic conditions. Receivables are written off when deemed uncollectible.

Pledges Receivable

Unconditional promises to give (pledges receivable) are recognized as revenues in the period the promise is received and as assets, decreases of liabilities or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Monies received pursuant to conditional promises are reflected as deferred revenue. Unconditional promises to give that are to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates as determined by management that are applicable to the years in which the promises are made. Amortization of the discount is included in contribution support. Management provides for probable uncollectible amounts through a charge to earnings and an increase to a valuation allowance based on its assessment of the current status of individual pledges. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a reduction of receivables.

Investments

The investments in certificates of deposit, equity securities with readily determinable fair value are measured at fair value in the consolidated statements of financial position as determined by available market prices. The Organization also has assets held by the Jewish Community Foundation of Greater Phoenix which are recorded at fair value based upon quoted market prices of the underlying assets.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments (Continued)

Certificates of deposit are brokered deposits and those with readily determinable fair values are measured at fair value on the consolidated statements of financial position. Declines in the fair value of certificates of deposit below their cost that are deemed to be other than temporary are reflected as realized losses. Certificates of deposit income or loss (including unrealized and realized gains and losses) on certificates of deposit, and interest are included in net assets without donor restrictions, unless the associated income or loss is restricted. Investment income or loss (including unrealized and realized gains and losses on investments, interest, and dividends) is included in net assets without donor restrictions unless the associated income or loss is restricted.

Board-Designated Net Assets

As of September 30, 2022 and 2021, included in net assets without donor restrictions is \$480,671 and \$458,066, respectively, a board-designated investment fund held at the Jewish Community Foundation of Greater Phoenix, an unrelated entity.

Property and Equipment

Buildings, leasehold improvements, vehicles, equipment, and furniture are initially recorded at cost, if purchased or at fair value at date of donation if contributed. The Organization's policy is to capitalize assets costing \$1,000 or more and with a useful life of greater than one year. Property and equipment are depreciated using the straight-line method over the following estimated useful lives.

Buildings and Improvements	5 to 35 Years
Furniture, Equipment, and Vehicles	3 to 5 Years
Software	7 Years

Improvements to leased property are amortized over the lesser of the life of the lease or life of the improvements. Amortization expense on assets acquired under capital leases is included with depreciation expense on owned assets.

Gain or loss on sale of assets is calculated by netting the book value of the investment in the capital asset against the consideration received on the asset sold.

Impairment of Long-Lived Assets

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets.

JEWISH FAMILY AND CHILDREN'S SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions and Grants

The Organization recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met.

A portion of the Organization's revenue is derived from cost-reimbursable contracts and grants. Amounts received are recognized as earned and are reported as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received but not yet earned are reported as deferred revenue in the consolidated statements of financial position (See Note 8). At September 30, 2022 and 2021, the Organization had \$3,779,368 and \$3,725,071, respectively, of conditional grants that had not been recognized in the accompanying consolidated statements of activities.

The Organization records unconditional contributions and grants from governmental agencies as with or without donor-restricted support depending on the existence of any donor restrictions. All donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as net assets without donor restrictions.

Program Service Revenue and Deferred Revenue

The Organization receives block funding in advance of service delivery which is initially recorded as deferred revenue. As service units are performed (encounters) revenue is recognized and deferred revenue is reduced. Any cash received in excess of the amount encountered is reported as deferred revenue.

Program service revenues consist of governmental fee and grant reimbursements for various programs. Revenue from certain grants is unearned until eligible expenses have been incurred or program performance has been met. These amounts are deferred and recognized over the periods in which the associated grant expenses occur. Cash collected in advance of the earned revenue is recorded as deferred revenue (See Note 8).

Charges for Services – Patient Services

Patient service revenue is reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing patient care. These amounts are due from patients, third-party payors (including health insurers and government payors), and others and includes variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations.

JEWISH FAMILY AND CHILDREN'S SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Charges for Services – Patient Services (Continued)

Generally, the Organization bills the patients and third party after the services are performed. Revenue is recognized as the performance obligations are satisfied. Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges. The Organization believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation.

Generally, performance obligations satisfied over time relate to patients receiving services in our behavioral health and medical/therapy programs, which includes a majority of the Organization's charges for services revenue.

The Organization determines the transaction price based on standard charges for services provided, reduced by contractual adjustments provided to third-party payors or the established rates of the government entities. The Organization determines its estimates of contractual adjustments and discounts based on contractual agreements, and historical experience. The Organization determines its estimate of implicit price concessions based on its historical collection experience with patients.

Agreements with third-party payors provide for payments that may differ from established rates. A summary of the payment arrangements with major third-party payors follows:

Medicaid: Reimbursements for Medicaid services are generally paid at prospectively determined rates, per occasion of service, or per covered member.

Other: Payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations provide for payment using prospectively determined rates and discounts from established charges.

Laws and regulations concerning government programs, including Medicaid, are complex and subject to varying interpretation. As a result of investigations by governmental agencies, various health care companies have received requests for information and notices regarding alleged noncompliance with those laws and regulations, which, in some instances, have resulted in companies entering into significant settlement agreements. Compliance with such laws and regulations may also be subject to future government review and interpretation as well as significant regulatory action, including fines, penalties, and potential exclusion from the related programs. There can be no assurance that regulatory authorities will not challenge the Organization's compliance with these laws and regulations, and it is not possible to determine the impact (if any) such claims, or penalties would have upon the Organization. In addition, the contracts the Organization has with commercial payors also provide for retroactive audit and review of claims.

JEWISH FAMILY AND CHILDREN'S SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Charges for Services – Patient Services (Continued)

Settlements with third-party payors for retroactive revenue adjustments due to audits, reviews or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing patient services. These settlements are estimated based on the terms of the payment agreement with the payor, correspondence from the payor and the Organization's historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved.

Estimated settlements are adjusted in future periods as adjustments become known (that is, new information becomes available), or as years are settled or are no longer subject to such audits, reviews, and investigations.

Generally, patients who are covered by third-party payors are responsible for related deductibles and coinsurance, which vary in amount. The Organization estimates the transaction price for patients with deductibles and coinsurance based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments, discounts, and implicit price concessions. Subsequent changes to the estimate of the transaction price are generally recorded as adjustments to patient service revenue in the period of the change. Additional revenue recognized due to changes in its estimates of implicit price concessions, discounts, and contractual adjustments were not considered material for the years ended September 30, 2022 and 2021. Subsequent changes that are determined to be the result of an adverse change in the patient's ability to pay are recorded as bad debt expense.

The Organization has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the following factors:

- Payors (for example, Medicaid, managed care or other insurance, patient) have different reimbursement/payment methodologies
- Length of the patient's service of care
- Method of reimbursement (fee for service or capitation)
- Organization's line of business that provided the service

Functional Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The costs are allocated based on salary, professional fees, and square footage percentages.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

Jewish Family and Children's Service, Inc. and Sojourner Center are exempt from federal income taxes under Section 501(c)(3) and Twenty Thirty Three, Inc., is exempt under 501(c)(2) of the Internal Revenue Code (IRC) of 1954 as amended and from state income taxes under ARS 43-1201. In addition, JFCS, SC and TTT have been determined by the Internal Revenue Service (IRS) not to be private foundations within the meaning of Section 509(a). Income determined to be unrelated business taxable income (UBTI) would be taxable. Management believes that JFCS, SC and TTT have no uncertain tax positions as of September 30, 2022 and 2021.

Economic Dependency and Concentration of Credit Risk

The Organization received approximately 52% and 46% of its revenue through seven contractors within the Arizona Health Care Costs Containment System (AHCCCS) Complete Care health plans, during the years ended September 30, 2022 and 2021, respectively. The loss of this revenue source would have a materially adverse effect on the Organization.

Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying consolidated financial statements to maintain consistency between periods presented. The reclassifications had no impact on previously reported net assets.

Change in Accounting Principle

In September 2020, the FASB issued Accounting Standards Update (ASU) 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This standard requires that contributed nonfinancial assets are reported on a separate line item in the consolidated statements of activities, apart from contributions of cash and other financial assets. It also requires disclosure of disaggregated amounts of contributed nonfinancial assets by category that depicts the type of contributed nonfinancial assets along with additional qualitative information about the monetization of such assets, donor restrictions and valuation techniques. The adoption of this standard did not have a significant impact on the accompanying consolidated financial statements or disclosures.

Subsequent Events

We have evaluated subsequent events through March 16, 2023, the date the consolidated financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

The Organization regularly monitors the availability of resources required to meet its operating needs and other contractual commitments. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing activities to be general expenditures.

NOTE 5 INVESTMENTS

Investments in Joint Ventures: Topaz, LLC

JFCS was a 50% owner and managing administrative member in Topaz, LLC (Topaz), a partnership with another nonprofit entity providing information technology services to nonprofit entities. On October 14, 2019, JFCS completed the sale of its membership interest in Topaz to NextGen Healthcare, Inc. for \$2,224,456 resulting in a gain of \$1,582,947. In addition, the sale provided for a contingent gain of up to \$1,000,000 that depended on certain conditions being met. During the years ended September 30, 2022 and 2021, certain conditions were met resulting in the Organization recording an additional gain of \$270,000 and \$100,000, respectively.

Jewish Community Foundation of Greater Phoenix

JFCS also has funds on deposit at the Jewish Community Foundation of Greater Phoenix. The investments totaled \$852,354 and \$1,038,307 as of September 30, 2022 and 2021, respectively. Per review of the fund agreements during the year, it was noted that for certain individual funds, JFCS did not have variance power over the funds, and the funds were written down during 2021 resulting in a reduction of investment and loss recognized of \$253,809. In addition, JFCS recognized investment income (loss) of (\$147,422) and \$212,010 for the years ended September 30, 2022 and 2021, respectively.

Arizona Community Foundation

JFCS also has funds on deposit at the Arizona Community Foundation. The investments totaled \$26,710 and \$29,945 as of September 30, 2022 and 2021, respectively. In addition, JFCS recognized investment income (loss) of \$(3,235) and \$8,444 for the years ended September 30, 2022 and 2021, respectively.

NOTE 7 FAIR VALUE OF FINANCIAL INSTRUMENTS

FASB *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement and Disclosures*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models and similar techniques not based on assumptions that market participants would use in pricing an asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for instruments measured at fair value and their classification in the valuation hierarchy.

Investments Held by Jewish Community Foundation of Greater Phoenix

The State of Israel bonds are valued at face value, which approximates fair value. The amount recorded on the consolidated statements of financial position reflects the Organization's contributions plus (minus) the Organization's allocated share of the investment return on the entire pool of investments. This investment is classified within Level 3 of the valuation hierarchy.

NOTE 7 FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)

Investments Held by Arizona Community Foundation

The Organization's investments held by the Arizona Community Foundation primarily consist of corporate and governmental debt securities, and equity securities, which are held primarily at stock brokerage firms. The fair value on these investments, held by Arizona Community Foundation, is determined as follows: Mutual funds are valued at publicly quoted net asset value. Equity and debt securities listed on a national market or exchange are valued at the last sales price, or if there is no sale and the markets are still considered active at the last transaction price before year-end.

Certificates of Deposit

Certificates of deposit are generally valued at the most recent price of the equivalent quoted yield for such securities, or those of comparable maturity, quality, and type. Certificates of Deposit are generally classified within Level 2 of the valuation hierarchy. Certificates of deposit are held to maturity, with various maturity dates through September 30, 2025 and earn various stated rates ranging from 0.10% to 2.25%.

Investments in Debt and Equity Securities

The Organization records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values. Securities with readily determinable market values are generally classified as Level 1 of the valuation hierarchy. Equity and debt securities listed on a national market or exchange are valued at the last sales price, or if there is no sale and the markets are still considered active at the last transaction price before year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in valuation methodologies used as of September 30, 2022 and 2021.

Total	<u>\$ 16,874,084</u>

NOTE 11 DONATED GOODS AND SERVICES

The Organization receives in-kind contributions of time and pro bono services from members of the community related to management operations. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The Organization recognizes in-kind contribution revenue and a corresponding expense in an amount approximating the estimated fair value at the time of the donation.

During the year ended June 30, 2022, the Organization received contributions of the use of facilities. The Organization also received donated goods in a form of donated gifts and items for the donation center. The following table represents a breakout of the donated facilities and goods for the year ended June 30, 2022:

Total Net Assets With Donor Restrictions	\$ 3,186,635	\$ 4,150,247

NOTE 13 RETIREMENT PLANS

The Organization has a Section 401(k) plan and a Section 403(b) plan under the IRC. Both plans have two contribution components: (1) a salary reduction arrangement plan, and (2) employer's qualified nonelective plan. Under the salary reduction arrangement, employees may allocate a portion of their compensation in accordance with the IRC. The employer may at its discretion contribute a matching amount. In order to participate, employees must be at least 18 years of age to make salary reduction contributions to this plan. There is no minimum service requirement to make salary reduction contributions to the plan. An employee is automatically enrolled into the plan on the first of the month subsequent to the employee's date of hire.

To receive employer matching contributions, an employee must be at least 18 years of age and have completed at least one year of service and has worked a minimum of 1,000 hours. During the years ended September 30, 2022 and 2021, the Organization contributed \$0.50 for each \$1.00 of eligible contributions deferred from the employees' annual salary. A participant's "eligible contributions" equal the amount of the participant's elective deferrals for the plan year up to 6%.

The total contribution expense was \$450,667 and \$482,050 for the years ended September 30, 2022 and 2021, respectively. Of those total contributions, the 403(b) Plan total contribution expense was \$86,614 and \$80,499 and the 401(k) Plan total contribution expense was \$364,053 and \$402,703 for the years ended September 30, 2022 and 2021, respectively.

NOTE 13 RETIREMENT PLANS (CONTINUED)

Under the employer's qualified nonelective portion, the employer may contribute to the plan at its discretion. The employee does not contribute to this portion of the plan. To become a participant, an employee must complete one year of service and attain age 18. The total contribution expense for this qualified nonelective portion was \$-0- for the years ended September 30, 2022 and 2021.

NOTE 14 ADVERTISING

The Organization uses advertising to promote its community programs and recruit employees. Advertising costs are expensed as incurred. Advertising expense totaled \$13,146 and \$17,624 for the years ended September 30, 2022 and 2021, respectively.

NOTE 15 COMMITMENT AND CONTINGENT LIABILITIES

The Organization has a partially self-insured health benefit program covering medical and prescription claims. The plan includes a stop-loss provision that insures claims exceeding \$110,000 for the years ended September 30, 2022 and 2021.

The Plan offers health benefits to regular, full-time employees working 30 or more hours per week and their beneficiaries and covered dependents once a 60-day waiting period is met. The cost of health care services is recognized as a deduction in the period in which it is provided to participants. Liabilities for health claims incurred but not reported are estimated based on historical claims and industry trends.

The Organization participates in a number of federal and state-assisted grant and contract programs which are subject to financial and compliance audits. The audits of these programs for, or including, the year ended September 30, 2022, have not been accepted. Accordingly, the Organization's compliance with applicable grant or contract requirements may be established at some future date. The amount, if any, of expenditures or fees for units of service which may be disallowed by the granting or contracting agencies cannot be determined at this time, although the Organization's management expects such amounts, if any, to be immaterial.

In the opinion of management, the Organization was not involved, as of September 30, 2022, in any pending or threatened claims/litigation that could materially affect the Organization's financial position and changes in net assets.

NOTE 16 ENDOWMENT

A fund was established in 2018 with insurance policies with cash surrender values from the Lane Foundation, of which \$273,107 was to be used to establish an endowment. The endowment was \$279,328 and \$338,357 for the years ended September 30, 2022 and 2021, respectively. The Organization has interpreted the Arizona Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, unless there are explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions to be held in perpetuity (a) the original value of gifts donated to the Endowment, (b) the original value of subsequent gifts donated to the Endowment, and (c) accumulations to the Endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added.

The remaining portion of the donor-restricted endowment is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

NOTE 17 CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash. The Organization places its cash with high-credit quality financial institutions and generally limits the amount of credit exposure to the amount in excess of the FDIC insurance coverage limit of \$250,000. At various times throughout the year, the Organization's cash balances will exceed the federally insured limits. Management believes there are no unusual risks associated with current depository institutions.

NOTE 18 NEW ACCOUNTING STANDARDS

In February 2016, the FASB issued amended guidance for the treatment of leases. The guidance requires lessees to recognize a right-of-use asset and a corresponding lease liability for all operating and finance leases with lease terms greater than one year. The guidance also requires both qualitative and quantitative disclosures regarding the nature of the entity's leasing activities. The guidance will initially be applied using a modified retrospective approach. The amendments in the guidance are effective for fiscal years beginning after December 15, 2021. Early adoption is permitted. Management is evaluating the impact of the amended lease guidance on the Organization's consolidated financial statements.

JEWISH FAMILY AND CHILDREN'S SERVICE, INC. AND SUBSIDIARIES
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
SEPTEMBER 30, 2022

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Jewish Family and Children's Service, Inc. and Subsidiaries (the Organization) for the year ended September 30, 2022. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulation* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Jewish Family and Children's Service, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of Jewish Family and Children's Service, Inc.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported in the accompanying schedule of expenditures of federal awards are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

The Organization has elected not to use the 10 percent de minimis indirect rate as allowed under the uniform guidance.

NOTE 3 FEDERAL LOANS

The Organization had the following loans outstanding at September 30, 2021:

Federal Assistance Listing Number	Name of Federal Program	Amount Outstanding
14.218	Community Development Block Grant Entitlement Grants (Loan No. 107477)	\$ 870,000
14.218	Community Development Block Grant Entitlement Grants (Loan No. 135163-0)	22,069
14.218	Community Development Block Grant Entitlement Grants (Loan No. 125187)	1,500,000

In a prior year, the Organization was awarded federal loans of \$2,668,000 under the Community Development Block Grant Program from the U.S. Department of Housing and Urban Development, passed through the City of Phoenix, Arizona, Assistance Listing Number 14.218. There were no federal awards expended for the loan program during the year ended September 30, 2022. As of September 30, 2022 the outstanding balance under the loans was \$2,392,069.

JEWISH FAMILY AND CHILDREN'S SERVICE, INC. AND SUBSIDIARIES
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
SEPTEMBER 30, 2022

NOTE 3 FEDERAL LOANS (CONTINUED)

The loans have the following continuing compliance requirements:

The underlying property built with the loans will be occupied by victims of domestic violence and their children. (All loans)

The rent for the Community Development Block Grant units may not exceed 30% of the adjusted income of a family whose gross income equals 80% of the Median Family Income for the Phoenix Standard Metropolitan Statistical Area, as determined by the U.S. Department of Housing and Urban Development. (Only loan 107477)

NOTE 4 PROVIDER RELIEF FUNDS

The consolidated financial statements reflect revenue recognized from the Provider Relief Funds of \$413,140 for the year ended September 30, 2022. The Schedule includes Provider Relief Funds of \$811,643 that were received in Period 2, in accordance with the requirements of the compliance supplement for assistance listing number 93.498.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Jewish Family and Children's Service, Inc.
and Subsidiaries
Phoenix, Arizona

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Jewish Family and Children's Service, Inc. and Subsidiaries, which comprise the consolidated statement of financial position as of September 30, 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated March 16, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Jewish Family and Children's Service, Inc. and Subsidiaries' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Jewish Family and Children's Service, Inc. and Subsidiaries' internal control. Accordingly, we do not express an opinion on the effectiveness of Jewish Family and Children's Service, Inc. and Subsidiaries' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Jewish Family and Children's Service, Inc. and Subsidiaries' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND
REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors
Jewish Family and Children's Service, Inc.
and Subsidiaries

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Jewish Family and Children's Service, Inc. and Subsidiaries' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Jewish Family and Children's Service, Inc. and Subsidiaries' major federal programs for the year ended September 30, 2022. Jewish Family and Children's Service, Inc. and Subsidiaries' major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Jewish Family and Children's Service, Inc. and Subsidiaries complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Jewish Family and Children's Service, Inc. and Subsidiaries and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Jewish Family and Children's Service, Inc. and Subsidiaries' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Jewish Family and Children's Service, Inc. and Subsidiaries' federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Jewish Family and Children's Service, Inc. and Subsidiaries' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Jewish Family and Children's Service, Inc. and Subsidiaries' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Jewish Family and Children's Service, Inc. and Subsidiaries' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of Jewish Family and Children's Service, Inc. and Subsidiaries' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Jewish Family and Children's Service, Inc. and Subsidiaries' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis.

A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the consolidated financial statements of Jewish Family and Children's Service, Inc. and Subsidiaries as of and for the year ended September 30, 2022, and have issued our report thereon dated March 16, 2023, which contained an unmodified opinion on those consolidated financial statements. Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the consolidated financial statements as a whole.
